Report on Peer Feedback/Tutoring

Peer Feedback or Peer Tutoring is continuous process Subhashanna kul College of Education Patas. We try on providing various experiences to the students. The students in class are from different backgrounds. And the Levels of understanding of students are different too. To cater student diversity interaction among students is made possible in different ways.

Objectives of Peer activities are:

- To provide a safe space and learning environment for students
- To increase social connectedness and create a sense of belonging within supportive peer networks
- To provide positive role models, positive peer influences and opportunities which help students to develop a positive self-concept, self-acceptance and high self-esteem
- To increase confidence and to develop and enhance communication and social skills.
- To promote direct interaction between students for active learning.

To reinforce their own learning by instructing others To make them feel more comfortable and open when interacting with a peer

Different types of activities are planned in the college to provide peer feedback and peer tutoring some of them are as explained below:

In Micro-teaching- Teachers plan micro teaching session in small groups to enhance peer tutoring and peer feedback. Students teach each other and
